The stuff we love

Our monthly dose of stuff we can't live without.

No more sucking it in!

Who among us doesn't love the idea of jeans that make us look thinner? Fashion designer and new mom Lisa Rudes-Sandel loved it so much that she made belly-friendly chic with her line, **Tummy Tuck Jeans**. Perfect for post-baby when you're feeling like you need a little help in the tummy department, we love the vintage shape of their wide-leg trouser jeans.
